Bio-Pharma Forum China & Europe

—From Target Identification to Commercial Success

Organizer: Home Program, CAST

Co-organizer: Federation of Chinese Professional Associations in Europe, Tianjin BioMedical and Engineering Society

Chairman: *Du Zhi* (Director, Tianjin Biomedical Engineering Society, China)
Ye Tianshun (Deputy Secretary General, Federation of Chinese Professional Associations in Europe, Denmark)
Katherine Cohen (CEO, HookipaBiotech, Austria)

PROGRAM

Sep. 22 Site: Lecure Hall, 4th Fl., Tianjin Hopeway Business Hotel
08:30-09:00 Opening Ceremony

Chair:

Zhang Jiansheng (Director, Dept. of International Affairs, CAST, China)

Section One Bilateral Situation and Collaboration Outlook

09:00-10:00 Presentations (Each Report: 30mins)

1. Translating Scientific Excellence into Biotech Business Success

Dr. Katherine Cohen (Hookipa Biotech, Austria)

2. Introduction of the Bio Pharmaceutical Industry in the Nordic Countries and Potential Business Opportunities for China

Dr. Yu Jiang (Sensa, Sweden)

10:00-10:15 Coffee Break

10:15-11:15 Presentations (Each Report: 30mins)

3. Non-invasive Diagnosis for Liver Hepatocellular Carcinoma (HCC)

Dr. Cuiying Chitty CHEN (Belgium)

4. Improving Efficiency of Drug Discovery in China

Tang Lida (Tianjin Institute of Pharmaceutical Research, China)

Section Two New Trends in R&D Including Transnational Medicine

11:15-12:15 Presentations (Each Report: 30mins)

1. Humanized Mice of T cell Receptor Gene Loci

Dr. Li Liangping (Max-Delbrueck Center for Molecular Medicine, MDC Berlin, Germany)

2. Current Development of Phase III-IV Trials in Diabetes

Dr. Gong Yan (Boehringer Ingelheim, Germany)

12:15-13:15 Lunch Function Hall, 4th Fl.

13:15-14:15 Presentations (Each Report: 30mins)

3. Application of Molecular Diagnostic Biochips for Drug Development

Dr. Gao Hui (Arrayon, Switzerland)

4. Technology Application in Pilot and Scale up Manufacturing

Dr. May Ling Yeow (Pfizer, UK)

14:15-14:30 Coffee Break

14:30-15:30 Presentations (Each Report: 30mins)

5. Trial Design Based on Natural Drug

Dr. Liang Xifu (LEO Pharma, Denmark)

6. Critical Technology Research of Protein Structure, Function and Innovative Drug for Serious Disease

Dr. Cheng Yang (Tianjin, China)

Section Three Regulatory Affairs and Quality Assurance

15:30-17:30 Presentations (Each Report: 30mins)

1. Updated EU Guidance on CNS Drug Development

Dr. Shi Lin (Johnson & Johnson, Belgium)

2. Authority Guidelines for Clinical IT Systems

Ye Tianshun (Novo Nordisk A/S, Denmark)

3. Generic Medicinal Products in Europe-overview & Tendency

Yu Yang (Chinese Association of Life-science in the Netherlands (CALN); Medicine Evaluation Board (CBG-MEB), Netherlands)

4. Packaging for Terminally Sterilized Medical Devices

Dr. He Yi (Cartolux (Suzhou) Co., Ltd. France)
